514. Cancellations

- (1) SBSEF Authority.

All decisions of the SBSEF to cancel a Transaction shall be final. The SBSEF shall not have no liability for losses resulting from Transaction cancellations under this Rule. The SBSEF retains exclusive authority over all decisions involving the cancellation of Transactions.
- (2) Decision to Review Transaction.
 - (a) The SBSEF may determine to review a Transaction based on its independent analysis of market activity or upon request for review by a Trading Privilege Holder or Authorized Person of the SBSEF. A request for review that is made by a Trading Privilege Holder must be made within 30 minutes of the execution of the Transaction. The SBSEF shall determine whether or not a Transaction will be subject to review at its sole discretion. - (3) Transaction Review.

- (a) If the SBSEF decides to review a Transaction, the SBSEF shall complete such review within one Business Day after it accepts such request unless it notifies involved Trading Privilege Holders that it is unable to complete its review during this time period.
 - (b) In reviewing a Transaction, the SBSEF shall determine the fair value price for the SBS at the time the Transaction under review occurred. The SBSEF may consider any relevant information, including, but not limited to, the last transaction price of the SBS or a better Bid/Offer, a more recent price for a different maturity date, the volatility of the market, market conditions at the time of the Transaction, the prices of related instruments in other markets, any other factors that the SBSEF deems relevant.

Canceled Transactions shall be canceled in the SBSEF's official records; Transactions that have had their price adjusted shall be canceled in the SBSEF's official records and shall be inserted in the SBSEF's official records at the adjusted price.
- (5) Voluntary Adjustment by Counterparty Agreement.
 - (a) With the approval of the SBSEF, parties to a Transaction that is under review or that has had its price adjusted may instead mutually agree to cancel or to adjust the price of the Transaction.
 - (b) With the approval of the SBSEF, Counterparties to a Transaction that is canceled may instead mutually agree to adjust the price of such Transaction to a fair value price.
 - (c) Subject to clauses (5)(a) and (5)(b), Counterparties to a trade that is canceled or that has had its price adjusted may mutually agree to a cash adjustment.
 - (d) Any cancellation or adjustment made pursuant to this paragraph (5) must immediately be reported by the Counterparties to the SBSEF. The parties shall maintain a record of such cancellation or adjustment, including a record of their report of the same to the SBSEF.
- (6) SBSEF Recordkeeping.

In accordance with the provisions of Rule 901, all canceled and modified Transactions shall be captured and retained in the SBSEF's official records.

The Trade Communication, together with the documents and agreements (including, without limitation, ISDA master agreements, other master agreements, terms supplements, master Confirmation agreements, and incorporated industry definitions) governing such SBS existing at the time of such commitment to which such Participants are party (the "Terms Incorporated by Reference") shall, taken together, for purposes of SEC Regulation 242.812(b) comprise all of the terms of such Transaction that were agreed to on the Trading System and serve as a Confirmation of such Transaction (the Trade Communication and Terms Incorporated by Reference, together, the "Confirmation"), which shall legally supersede any previous agreement regarding such terms.
- (b) In satisfaction of the obligations imposed on the SBSEF under SEC Regulation 242.812(b), (i) each Trade Communication is deemed to incorporate the Terms Incorporated by Reference set forth in this Rule 515, and (ii) the Participants that are party to the SBS referenced in such Trade Communication hereby agree that the provisions of paragraph (c) shall govern any conflicting terms.
- (c) In the event of any conflict between (x) the Trade Communication and (y) the Terms Incorporated by Reference, the Trade Communication shall prevail to the extent of the inconsistency, and the SBSEF's Trade Communication shall state the same.
- (d) For each SBS matched on or pursuant to the Rules of the SBSEF, each previously-negotiated freestanding agreement of the Counterparties included in the Terms Incorporated by Reference must be available to the SBSEF and/or the SEC staff upon request within a reasonable period of time. Any such agreements provided to the SBSEF in connection with an SEC request will be furnished to the SEC as soon as they are available.

- (8) Front-Running. No Trading Privilege Holder or Authorized Person shall enter an Order into the SBSEF for its own account when such Trading Privilege Holder or Authorized Person knows that he is in possession of an Order for the same instrument that has not been executed, canceled or expired.
- (9) Wash Sales. No Trading Privilege Holder or Authorized Person shall buy and sell a SBS, place or accept buy and sell Orders in the same Instrument, or knowingly execute or accommodate the execution of such Orders by direct or indirect means, if the Trading Privilege Holder or Authorized Person knows or reasonably should know that the purpose of the Transaction is to avoid taking a bona fide market position exposed to market risk. Buy and sell Orders for different Customers with common Beneficial Ownership that are entered with the intent to negate market risk or price competition shall also be deemed to violate this Rule.
- (10) "Money passing," Pre-Arranged, Pre-Negotiated and Noncompetitive Transactions. (a) No Trading Privilege Holder or Authorized Person may enter an Order for the purpose of entering into the position without a net change in either party's open positions but a resulting profit to one party and a loss to the other party, commonly known as a "money pass," and (b) no Trading Privilege Holder or Authorized Person shall pre-arrange or pre-negotiate any purchase or sale or noncompetitively execute any Required Transaction, or any Permitted Transaction that is executed in accordance with Rule 508.
- (11) Trading Against Customer Orders. No Trading Privilege Holder or Authorized Person in possession of a Customer Order shall knowingly take, directly or indirectly, the opposite

side of such Order for its own account, an account in which it has a direct or indirect financial interest, or an account over which it has discretionary trading authority.

- (12) Any other manipulative or disruptive trading practices prohibited by the Act or by the Commission pursuant to Commission regulation.

Chapter 8. Discipline and Enforcement

801. General

- (1) Trading Privilege Holders and other Persons within the SBSEF's jurisdiction are subject to this Chapter 8 if they are alleged to have violated, to have aided and abetted a violation of, to be violating, or to be about to violate, any Rule of the SBSEF or any provision of Applicable Law for which the SBSEF possesses disciplinary jurisdiction.
- (2) Except when the Board reserves responsibility for an inquiry or investigation to itself or delegates its responsibility to a committee of the Board, the SBSEF will conduct inquiries, investigations, Disciplinary Proceedings and appeals from Disciplinary Proceedings, summary impositions of fines, summary suspensions or other summary actions in accordance with this Chapter 8.
- (3) The SBSEF may delegate any or all of its powers or responsibilities under this Chapter 8 to the Compliance Department, which may take any actions on behalf of the SBSEF that the SBSEF is permitted to take hereunder. In the event of any such delegation, references to the SBSEF in this Chapter 8 shall be construed to be references to the Compliance Department. The Compliance Department will prosecute violations in accordance with this Chapter 8. The enforcement staff may not include Persons that are associated with Trading Privilege Holders or with Persons whose interests conflict with their enforcement duties. Further, a member of the enforcement staff may not operate under the direction or control of any Person with Trading Privileges. Any reference to the Compliance Department in this Chapter 8 shall also be a reference to the enforcement staff.
- (4) Any member of the Compliance Department must promptly recuse himself or herself and notify the CCO of the recusal if such member has a relationship of a type listed in Rule 207(1)(a) with a potential respondent in an investigative report.
- (5) No member of the staff of the SBSEF will interfere with or attempt to influence the process or resolution of any inquiry, investigation, Disciplinary Proceeding, appeal from a Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action. No member of the Board will interfere with or attempt to influence the process or resolution of any inquiry, investigation, Disciplinary Proceeding, appeal from a Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action with respect to which the Board member is not a member of the relevant Review Panel, Disciplinary Panel or Appeal Panel.
- (6) Upon being served with a notice of charges, the respondent may be represented by counsel or any other representative of its choosing, at its own expense, in all succeeding stages of the disciplinary process pursuant to this Chapter 8.
- (7) Pursuant to this Chapter 8, the SBSEF may hold:
 - (a) A Participant liable, and impose sanctions against such Participant, for such Participant's own acts and omissions that constitute a violation of Applicable Law.
 - (b) [Reserved]
 - (c) [Reserved]
 - (d) [Reserved]
- (8) The Board shall appoint individuals at the recommendation of the CCO to serve for a term of one year subject to reappointment, removal or replacement by the Board, as potential participants on Review Panels, Disciplinary Panels and Appeal Panels. The term of an individual selected as a member of a Review Panel, Disciplinary Panel or an

Appeal Panel will not expire until the relevant Disciplinary Proceedings are complete. No member of the Compliance Department may be a participant on a Review Panel, Disciplinary Panel or Appeal Panel.

802. Inquiries and Investigation

- (1) The Compliance Department will investigate any matter within the SBSEF's disciplinary jurisdiction that is brought to the attention of the Compliance Department. An investigation must be commenced upon the receipt of a request from the SEC staff or upon the discovery or receipt of information by the SBSEF that, in the judgment of the Compliance Department, indicates a reasonable basis for finding that a violation has occurred or will occur. The Compliance Department will determine the nature and scope of its inquiries and investigations within its sole discretion.
- (2) The Compliance Department has the authority to:
 - (a) Initiate and conduct inquiries and investigations;
 - (b) Prepare investigative reports and make recommendations concerning the initiation of Disciplinary Proceedings; and
 - (c) Prosecute alleged violations within the SBSEF's disciplinary jurisdiction; and
 - (d) Represent the SBSEF on appeal from any Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action.
- (3) Each Trading Privilege Holder or other Person subject to the SBSEF's jurisdiction:
 - (a) Is obligated to appear and testify and respond in writing to inquiries within the time period required by the Compliance Department in connection with (i) any Rule of the SBSEF; (ii) any inquiry or investigation; or (iii) any preparation by and presentation during a Disciplinary Proceeding or appeal from a decision in a Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action by the SBSEF;
 - (b) Is obligated to produce books, records, papers, documents or other tangible evidence in its, his or her possession, custody or control within the time period required by the Compliance Department in connection with (i) any Rule of the SBSEF; (ii) any inquiry or investigation; or (iii) any preparation by and presentation during a Disciplinary Proceeding or appeal from a decision in any Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action by the SBSEF; and
 - (c) May not impede or delay any inquiry, investigation, Disciplinary Proceeding, appeal from a Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action.

803. Reports of Investigations

- (1) The Compliance Department will maintain a log of all investigations and their disposition. Any member of the Compliance Department must promptly recuse himself or herself and notify the CCO of the recusal if such member has a relationship of a type listed in Rule 207(1)(2) with a potential respondent named in an investigative report. The Compliance Department will prepare a written report of an investigation for the CCO when the evidence gathered during any inquiry or investigation forms a reasonable basis to believe that a violation within the SBSEF's jurisdiction has occurred or is about to occur. Any such written investigation report will include the following information:

- (a) The reason(s) for initiating the investigation;
 - (b) A summary of the complaint, if any;
 - (c) All relevant facts and evidence gathered;
 - (d) The Compliance Department's analysis and conclusions; and
 - (e) The recommendation of the Compliance Department as to whether disciplinary action should be pursued.
- (2) For each potential respondent, the Compliance Department will recommend any one of the following actions:
 - (a) Closing the investigation without further action;
 - (b) Resolving the investigation through an informal disposition, including the issuance of a warning letter; or
 - (c) Initiating Disciplinary Proceedings.
- (3) If the Compliance Department determines that no reasonable basis exists for finding a violation, then the written investigation report will include the following information:
 - (a) The reasons for initiating the investigation;
 - (b) A summary of the complaint, if any;
 - (c) All relevant facts and evidence gathered;
 - (d) The Compliance Department's analysis and conclusions; and
 - (e) A copy of any recommended warning letter as well as the Trading Privilege Holder's disciplinary history at the SBSEF.
- (4) After reviewing the Compliance Department's written investigation report, the CCO will either:
 - (a) Determine to proceed with the Compliance Department's recommendation to close the investigation without further action, or to resolve the investigation through an informal disposition, if such a recommendation has been made;
 - (b) Forward the investigation report to a Review Panel to determine whether further action with respect to the matters discussed therein is warranted; or
 - (c) Determine to proceed with the Compliance Department's recommendation to initiate Disciplinary Proceedings, if such a recommendation has been made.
- (5) Each Compliance Department investigation must be completed in a timely manner. Absent mitigating factors, a timely manner is no later than 12 months after the date that an investigation is opened. Mitigating factors that may reasonably justify an investigation taking longer than 12 months to complete include the complexity of the investigation, the number of firms or individuals involved as potential wrongdoers, the number of potential violations to be investigated, and the volume of documents and data to be examined and

analyzed. The SBSEF shall maintain investigatory files and disciplinary files in a form and manner acceptable to the Commission, for a period of at least five years, in accordance with SEC Rule 242.826(i).

- (6) In addition to any of the actions permitted pursuant to this Rule 803, the Compliance Department may issue a warning letter to the potential respondent. Such warning letter, if issued, shall not be construed as a penalty or an indication that a finding of a violation has been made. No more than one warning letter for the same potential violation may be issued to the same potential respondent during any rolling 12-month period.

804. Review Panel

- (1) The CCO may, at his or her discretion, convene a Review Panel to review an investigation report submitted by the Compliance Department to determine whether (i) a reasonable basis exists to believe that a violation of the Rules has occurred, and (ii) commencing Disciplinary Proceedings in respect of such potential violation is warranted. The chairman of the Review Panel shall be appointed by the CCO.
- (2) The Review Panel will review the completed investigation report promptly after receipt thereof and, within 20 Business Days of such receipt, take one of the following actions:
 - (a) If the Review Panel determines that additional investigation or evidence is needed, the Review Panel shall promptly direct the Compliance Department to conduct such further investigation;
 - (b) If the Review Panel determines that no reasonable basis exists for finding a violation or that prosecution is otherwise unwarranted, the Review Panel may direct that no further action be taken. Such determination must be in writing, and must include a written statement setting forth the facts and analysis supporting the decision; or
 - (c) If the Review Panel determines that a reasonable basis exists for finding a violation and adjudication is warranted, it must direct that the person or entity alleged to have committed the violation be served with a notice of charges.
- (3) Any member of the Review Panel must promptly recuse himself or herself and notify the CCO of the recusal if such member has a relationship of a type listed in Rule 207(1)(2) with a potential respondent in an investigative report.
- (4) The Review Panel shall be composed of three individuals. In forming a Review Panel, the CCO shall draw panel members from the individuals appointed by the Board as potential members of Review Panels. No group or class of Trading Privilege Holders may dominate or exercise disproportionate influence on a Review Panel, and no member of the Review Panel may participate in deliberations or voting on any matter in which he or she has a financial, personal or other direct interest. A Review Panel may not include any person involved in adjudicating any other stage of the same proceeding. If a vacancy shall occur on a Review Panel after it has begun its proceedings, the remaining members shall complete consideration and disposition of the matter. Once a Review Panel has determined the matter for which it was appointed and has notified the CCO in writing of its decision, it shall be dissolved automatically. The Regulatory Oversight Committee may, at any time, remove any member of a Review Panel for cause.

805. Notice of Charges

- (1) If the CCO or Review Panel authorizes the initiation of Disciplinary Proceedings, the Compliance Department will prepare, and serve in accordance with Rule 807, a notice of charges.

- (2) A notice of charges must:
 - (a) Adequately state the acts, practices or conduct that the respondent is alleged to have engaged in;
 - (b) State the Rule(s) or provision(s) of Applicable Law alleged to have been violated or about to be violated;
 - (c) Advise the respondent of its right to a hearing;
 - (d) State the period of time within which the respondent can request a hearing on the notice of charges, which will not be less than 20 Business Days after service of the notice of charges;
 - (e) Advise the respondent that any failure to request a hearing within the period stated, except for good cause, will be deemed to constitute a waiver of the right to a hearing; and
 - (f) Advise the respondent that a failure to answer or to expressly deny a charge may be deemed to be an admission of such charge.
- (3) Upon being served with a notice of charges, the respondent has the right to be represented by legal counsel or any other representative of its choosing in all succeeding stages of the Disciplinary Proceedings, other than a Board member, Director, member of an applicable Disciplinary Panel, SBSEF Employee or other person substantially related to the underlying investigation.

806. Answer to Notice of Charges

- (1) If the respondent determines to answer a notice of charges, the respondent must file a written answer within 20 Business Days after being served with such notice, or within such later time period determined appropriate by the Chairman of the Disciplinary Panel.
- (2) To answer a notice of charges, the respondent must in writing:
 - (a) Specify the allegations that the respondent denies or admits;
 - (b) Specify the allegations that the respondent does not have sufficient information to either deny or admit;
 - (c) Specify any specific facts that contradict the notice of charges;
 - (d) Specify any affirmative defenses to the notice of charges; and
 - (e) Sign and serve the answer to the Disciplinary Panel.
- (3) Any failure by the respondent to timely serve a written answer to a notice of charges will be deemed to be an admission to the allegations in such notice. Any failure by the respondent to answer or expressly deny one or more allegations in a notice of charges will be deemed to be an admission of that allegation or those allegations. A general denial by the respondent, without more, will not satisfy the foregoing requirements.
- (4) If a respondent admits or fails to specifically deny any of the allegations in the notice of charges, the Disciplinary Panel shall find that the violations set forth in such allegations have been committed and shall impose a sanction for each such violation. The Disciplinary Panel shall promptly notify the respondent in writing of any sanction to be imposed pursuant to this Rule 806(4) and advise the respondent that it may request a hearing on such sanction within the time period specified in the notice. The failure to request such a

hearing within such a time period shall be deemed to constitute an acceptance of such sanction. Any hearing pursuant to this Rule 806(4) shall be concerned only with the sanction(s) imposed by the Disciplinary Panel pursuant to this Rule 806(4).

807. Service of Notice

Any notice of charges or other documents contemplated to be served pursuant to this Chapter 8 may be served upon the respondent either personally or by leaving the same at the respondent's place of business during Business Hours or by deposit with the United States post office, postage prepaid via registered or certified mail, or by overnight delivery, addressed to the respondent at the respondent's last known place of business or residence.

808. Settlements

- (1) At any time after a notice of charges has been issued, the respondent may propose in writing an offer of settlement to anticipated or instituted Disciplinary Proceedings. Any offer of settlement must contain proposed findings and sanctions and be signed by the respondent or potential respondent and submitted to the Compliance Department. A respondent or potential respondent may offer to settle Disciplinary Proceedings without admitting or denying the findings contained in the order of the Disciplinary Proceedings, but must accept the jurisdiction of the SBSEF over it and over the subject matter of the proceedings and consent to the entry of the findings and sanctions imposed under such offer of settlement.
- (2) The Disciplinary Panel may accept the offer of settlement, but may not alter the terms of a settlement offer unless the respondent or potential respondent agrees.
- (3) If an offer of settlement is accepted, the Disciplinary Panel must issue a written decision specifying the rule violations that the presiding panel has reason to believe were committed, including the basis or reasons for the presiding panel's conclusions, and any sanction to be imposed, which shall include full Customer restitution where Customer harm is demonstrated. Should an offer of settlement be accepted by the Disciplinary Panel without the agreement of the Compliance Department, such a written decision must adequately support the Disciplinary Panel's acceptance of the settlement. If applicable, such a written decision must also include a statement that the respondent has accepted the sanctions imposed without either admitting or denying the rule violations.
- (4) The respondent or potential respondent may withdraw his or her offer of settlement at any time before final acceptance by the presiding panel.
- (5) If the offer of settlement of a respondent or potential respondent is not accepted, fails to become final or is withdrawn before final acceptance by the presiding panel, the matter will proceed as if the offer had not been made and the offer (and all documents relating to it) will not become part of the record. Neither the respondent, the potential respondent, nor the Compliance Department may use an unaccepted offer of settlement as an admission or in any other manner at a hearing of, or appeal from, any Disciplinary Proceedings.
- (6) Any accepted settlement agreement shall include a waiver by the respondent of all rights to appeal or otherwise challenge or contest the validity of the settlement offer.

809. Disciplinary Panel

- (1) The CCO will appoint a Disciplinary Panel to conduct hearings in connection with any Disciplinary Proceedings authorized by the CCO or a Review Panel to make findings and impose sanctions pursuant to this Chapter 8.

- (2) The Disciplinary Panel shall be comprised of three individuals. The Disciplinary Committee and/or Panel must include persons representing different membership interests so as to ensure fairness and to prevent special treatment or preference for any person in the conduct of a committee's or the panel's responsibilities. In forming a Disciplinary Panel, the CCO shall draw panel members from the individuals appointed by the Board as potential members of Disciplinary Panels. The CCO is prohibited from appointing to the Disciplinary Panel any compliance staff or SBSEF Employees including seconded Employees. The chairman of the Disciplinary Panel shall be appointed by the CCO. No group or class of Trading Privilege Holders may dominate or exercise disproportionate influence on a Disciplinary Panel, and no member of the Disciplinary Panel may participate in deliberations or voting on any matter in which he or she has a financial, personal or other direct interest. A Disciplinary Panel may not include any person involved in adjudicating any other stage of the same proceeding. If a vacancy shall occur on a Disciplinary Panel after it has begun its proceedings, the remaining members shall complete consideration and disposition of the matter. Once a Disciplinary Panel has determined the matter for which it was appointed and has notified the secretary in writing of its decision, it shall be dissolved automatically. The Board may, at any time, remove any member of a Disciplinary Panel for cause.
- (3) Any of the functions of the SBSEF or the Disciplinary Panel under this Chapter 8 may be performed by a Regulatory Services Provider pursuant to a delegation of such functions by the SBSEF, and references to the Disciplinary Panel or the Compliance Department, as appropriate, shall be deemed to be references to such Regulatory Service Provider. Nevertheless, the SBSEF will retain exclusive authority in all substantive decisions made by the Regulatory Service Provider, including, but not limited to, denials of access to the Trading System for disciplinary reasons. The SBSEF will document any instances where its actions differ from those recommended by the Regulatory Services Provider.
- (4) Within ten Business Days of being notified of the appointment of a Disciplinary Panel, a respondent may seek to disqualify any individual named to the Disciplinary Panel for the reasons identified in Rule 207(1)(2) or for any other reasonable grounds, by serving written notice on the SBSEF's General Counsel and providing a copy thereof to the Disciplinary Panel. By not timely filing a request for disqualification, the respondent will be deemed to have waived any objection to the composition of a Disciplinary Panel. The general counsel will decide the merits of any request for disqualification within his or her sole discretion. Any such decision will be final and not subject to appeal.

810. Convening Hearings of Disciplinary Proceedings

- (1) All Disciplinary Proceedings (except for summary impositions of fines pursuant to Rule 817) will be conducted at a hearing before a Disciplinary Panel. A hearing will be conducted privately and confidentially unless the Disciplinary Panel decides that the hearing, or any part of it, should be held in public after giving each respondent the opportunity to present its, his or her views on holding a public hearing. Notwithstanding the confidentiality of hearings, a Disciplinary Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.
- (2) After reasonable notice to each respondent, the Disciplinary Panel will promptly convene a hearing to conduct Disciplinary Proceedings with respect to such respondent. Parties to a Disciplinary Proceeding include each respondent and the Compliance Department. The hearing shall be conducted before members of the Disciplinary Panel.
- (3) The chairman of the Disciplinary Panel may continue, adjourn or otherwise conduct the hearing as he or she may deem appropriate. The chairman of the Disciplinary Panel will determine all procedural and evidentiary matters, including any pre-hearing motions and the admissibility and relevance of any evidence proffered. In determining procedural and

evidentiary matters, the chairman of the Disciplinary Panel will not be bound by any evidentiary or procedural rules or law; nevertheless, the procedures for the hearing may not be so informal as to deny a fair hearing. Once admitted during the hearing, the Disciplinary Panel may consider, and attach the weight it believes appropriate to, evidence or other materials. The SBSEF will provide guidance to the chairman of the Disciplinary Panel on the conduct of the hearing.

- (4) Except for procedural and evidentiary matters decided by the chairman of the Disciplinary Panel pursuant to paragraph (3) above and Rule 811, unless each respondent otherwise consents, the entire Disciplinary Panel must be present (either in person or telephonically) during the entire hearing and any related deliberations.

811. Respondent's Review of Evidence

- (1) Prior to the commencement of a hearing, each respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other evidence in the possession or under the control of the SBSEF that the Compliance Department will use to support the allegations and proposed sanctions in the notice of charges or which the chairman of the Disciplinary Panel deems relevant to those charges. Notwithstanding the foregoing, no respondent will have the right to review, and the SBSEF will have no obligation to disclose, any information that (i) is protected by attorney-client privilege or the work product doctrine; (ii) was prepared by the Compliance Department or an Employee of the SBSEF but will not be offered in evidence in the Disciplinary Proceedings; (iii) may disclose a technique or guideline used in examinations, investigations or enforcement proceedings; or (iv) discloses the identity of a confidential source.
- (2) If any books, records, documents, papers, transcripts of testimony or other tangible evidence contain information that could adversely affect the competitive position of the Person providing the information or if such information might compromise other investigations being conducted by the Compliance Department, the Compliance Department may redact, edit or code such information before furnishing it to the respondent.
- (3) Notwithstanding anything in paragraph (2) above to the contrary, the Compliance Department:
 - (a) Will not redact, edit or code competitive or investigative information contained in documents in a manner that would impair the respondent's ability to defend against the allegations or proposed sanctions in the notices of charges, and
 - (b) Will provide the respondent with access to the information and portions of the documents that the Compliance Department intends to rely on to support the allegations or proposed sanctions in the notice of charges or that are relevant to those charges.
- (4) For purposes of this Rule 811, information that could adversely affect competitive positions includes positions in SBS currently held, trading strategies employed in establishing or liquidating positions, the identity of Trading Privilege Holders or Customers, and the personal finances of the Person providing the information.
- (5) Unless indicated otherwise by the chairman of the Disciplinary Panel, all such requests for access to information identified in Rule 811(1) must be made not less than ten Business Days prior to the scheduled hearing date.

812. Conducting Hearings of Disciplinary Proceedings

- (1) At a hearing conducted with a Disciplinary Panel, the Compliance Department will present its case supporting the allegations and proposed sanctions in the notice of charges to the

Disciplinary Panel. The respondent is entitled to appear personally and participate in the hearing.

- (2) At a hearing conducted with a Disciplinary Panel, the Compliance Department and each respondent may:
 - (a) Present evidence and facts deemed relevant and admissible by the chairman of the Disciplinary Panel;
 - (b) Call and examine witnesses (including, but not limited to, Employees or agents of the SBSEF that form part of the Compliance Department); and
 - (c) Cross-examine witnesses called by other parties.
- (3) If a respondent has failed to timely file a written answer to a notice of charges but appears at the hearing, the respondent may not participate in the hearing (except for a hearing pursuant to Rule 806(4)) unless the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer. If the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer, the Disciplinary Panel will adjourn the hearing and direct the respondent to promptly file a written answer in accordance with Rule 806.
- (4) Any person entitled, required, or called upon to attend a hearing before a Disciplinary Panel pursuant to paragraph (2)(b) above will be given reasonable notice, confirmed in writing, specifying the date, time, and place of the hearing, and the caption of the Disciplinary Proceedings. The SBSEF will require persons within its jurisdiction that are called as witnesses to appear at the hearing and produce evidence, and will make reasonable efforts to secure the presence of all other persons called as witnesses whose testimony would be relevant.
- (5) If, during any Disciplinary Proceedings, the Disciplinary Panel determines that a reasonable basis exists to believe that the respondent violated, or is about to violate, a Rule of the SBSEF or a provision of Applicable Law other than the violations alleged in the notice of charges, the Disciplinary Panel may consider those apparent violations after providing the respondent with an opportunity to answer the additional allegations in accordance with Rule 806. In connection with considering apparent violations pursuant to this paragraph (5), the Disciplinary Panel may request that the Compliance Department provide the Disciplinary Panel with any additional information.
- (6) The Disciplinary Panel may summarily impose sanctions on any Trading Privilege Holder or other Person within the SBSEF's jurisdiction whose actions impede the progress of a hearing.
- (7) The SBSEF will arrange for any hearing conducted in connection with Disciplinary Proceedings to be recorded verbatim, or substantially verbatim, in a manner capable of accurate transcription, and a copy of such recordings shall become a part of the record of such proceedings. If the respondent requests a copy of all or portions of the recording of a hearing, the chairman of the Disciplinary Panel may, within his or her sole discretion, order the respondent to pay the costs for transcribing the recording of the hearing.
- (8) No interlocutory appeals of rulings of any Disciplinary Panel, or chairman of the Disciplinary Panel, are permitted.

813. Decision of Disciplinary Panel

- (1) Promptly following a hearing, the Disciplinary Panel will render a written decision within thirty (30) days of adjudication based on the weight of the evidence contained in the record of the Disciplinary Proceedings. A decision by a majority of the Disciplinary Panel will constitute the decision of the Disciplinary Panel. Such decisions shall become effective at

minimum fifteen (15) days after written notice has been delivered.

- (2) The SBSEF will serve a copy of the written decision on the respondent and the Compliance Department. The written decision will include the following information:
 - (a) The notice of charges or a summary of the charges;
 - (b) The answer, if any, or a summary of the answer;
 - (c) A summary of the evidence introduced at the hearing or, where appropriate, incorporation by reference of the investigation report;
 - (d) A statement of findings and conclusions with respect to each charge, and a complete explanation of the evidentiary and other basis for such findings and conclusions with respect to each charge;
 - (e) An indication of each specific rule that the respondent was found to have violated; and
 - (f) A declaration of all sanctions imposed against the respondent, including the basis for such sanctions and the effective date of such sanctions.
- (3) Unless a timely notice of appeal is filed pursuant to Rule 816, the order of the Disciplinary Proceedings will become final upon the expiration of 20 Business Days after the order is served on the respondent and a copy thereof is provided to the Compliance Department.

814. Sanctions

- (1) After notice and opportunity for hearing in accordance with these Rules, the SBSEF will impose sanctions if a Trading Privilege Holder or other Person or entity within the SBSEF's jurisdiction is found to have violated any Applicable Law. Disciplinary sanctions imposed by the SBSEF shall be commensurate with the violations committed, and shall be clearly sufficient to deter recidivism or similar violations by other market participants. All sanctions, including those imposed pursuant to an accepted settlement offer, will take into account the respondent's disciplinary history in determining the appropriate sanction.
- (2) The SBSEF may impose one or more of the following sanctions or remedies:
 - (a) A warning letter, provided that no more than one warning letter may be issued to the same respondent found to have committed the same rule violation within a rolling twelve month period;
 - (b) Censure;
 - (c) Limitation on the Trading Privilege Holder's right to access all or part of the Trading System;
 - (d) Suspension of the Trading Privilege Holder's right to access all or part of the Trading System for a period not to exceed 12 months;
 - (e) Fine (subject to paragraph (3) below);
 - (f) Restitution or disgorgement;
 - (g) Expulsion or termination of a Trading Privilege Holder or other Person within the SBSEF's jurisdiction; or

- (h) Any other sanction or remedy deemed to be appropriate including, but not limited to, full customer restitution, except where the amount of the restitution, or to whom it should be provided, cannot be reasonably determined in event of customer harm.
- (3) The SBSEF may impose a fine of up to \$100,000 for each violation. Each Participant will be responsible for paying any fine or other amount imposed on, but not paid by, any other agent or representative of such Participant.

815. Costs

A Disciplinary Panel may order a respondent who has been found to have violated the Rules to pay costs associated with the Disciplinary Proceedings, including costs that the Disciplinary Panel believes were unnecessarily caused by the respondent, in addition to any fine or other penalty which may be imposed on such respondent. Costs may include costs associated with the inquiry or investigation, the prosecution by the Compliance Department, legal and professional assistance, the hearing, and administrative and other expenses incurred by the Disciplinary Panel.

816. Appeal From Disciplinary Panel Decision

- (1) Parties to a Disciplinary Proceeding may appeal the decision of the Disciplinary Panel within 20 Business Days of receiving the order of the Disciplinary Proceedings by filing a notice of appeal with the CCO. While an appeal is pending, the effect of the written decision issued by the Disciplinary Panel (including any sanctions, remedies, or costs imposed thereby) shall be suspended.
- (2) In a notice of appeal, the appellant must state in writing the grounds for appeal, including the findings of fact, conclusions, or sanctions to which the appellant objects. A written request for an appeal must specify the grounds for the appeal and the specific error or impropriety of the original decision. An appellant may appeal the written decision of a Disciplinary Panel on the grounds that (i) the decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules, or (ii) the decision exceeded the authority or jurisdiction of the Disciplinary Panel or the SBSEF.
- (3) The CCO will forward copies of any notice of appeals received by him or her to all parties to the Disciplinary Proceedings in question other than the appellant. On or before the 20th Business Day after filing a notice of appeal, the appellant must file with the CCO and serve the Compliance Department a brief supporting the notice of appeal and documents supporting the brief.
- (4) Within 20 Business Days after the last submission filed pursuant to paragraph (3) above, the CCO shall appoint an Appeal Panel to consider and determine the appeal. The Appeal Panel shall be comprised of three individuals appointed by the Board as potential members of Appeal Panels, one of whom shall be appointed by the CCO to serve as chairman of the Appeal Panel. The Appeal Panel must include at least one person who is qualified to serve as a Public Director under SEC Regulations. No group or class of Trading Privilege Holders may dominate or exercise disproportionate influence on an Appeal Panel. An individual may not serve on an Appeal Panel if the individual has a relationship of a type described in Rule 208(1)(2) or was involved in the adjudication of any other stage of the same proceeding. The appeals proceeding shall be conducted before all members of the Appeal Panel.
- (5) Within ten Business Days of being notified of the appointment of an Appeal Panel, either party may seek to disqualify any individual named to the Appeal Panel for the reasons listed in Rule 208(1)(2) or for any other reasonable grounds, by serving written notice on the CCO. By not timely filing a request for disqualification, the parties will be deemed to have waived any objection to the composition of the Appeal Panel. The chief legal officer will decide the merits of any such objection in his or her sole discretion. Any such decision will be final and not subject to appeal.

- (6) The Appeal Panel, by a majority vote, shall determine whether sufficient grounds exist to hold a hearing on the appeal. The Appeal Panel may only determine that sufficient grounds exist if there is a reasonable basis to conclude that the appellant may be able to demonstrate that the decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules, or that the decision exceeded the authority or jurisdiction of the Disciplinary Panel or the SBSEF. The Appeal Panel's determination shall be based solely upon the materials submitted by the appellant pursuant to paragraph (3). The Appeal Panel's determination of whether to hold a hearing on an appeal shall be final. If the Appeal Panel grants the appellant's request for a hearing, the appellee may file and serve its brief in opposition not more than 20 Business Days after the issuance of the determination of the Appeal Panel.
- (7) An Appeal Panel may hold a hearing to allow parties to present oral arguments. Any hearing will be conducted privately and confidentially unless the chairman of the Appeal Panel decides that the hearing, or any part of it, should be held in public after giving each appellant the opportunity to present its, his, or her views on holding a public hearing. Notwithstanding the confidentiality of hearings, an Appeal Panel may appoint individuals to attend any hearing and assist in the deliberations if such individuals agree to be subject to appropriate confidentiality agreements. In determining procedural and evidentiary matters, the Appeal Panel will not be bound by any evidentiary or procedural rules or law.
- (8) Except for good cause, the Appeal Panel will only consider on appeal the record before the Disciplinary Panel, the written exceptions filed by the parties, and the oral or written arguments of the parties. The Appeal Panel may only consider new evidence when it is satisfied that good cause exists as to why the evidence was not introduced during a prior stage of the Disciplinary Proceeding. In connection with any appeal, the Compliance Department will furnish to the Appeal Panel a transcript of the hearing, any exhibits introduced at the hearing, the notice of appeal, and briefs filed to support and oppose the appeal.
- (9) After completing its review, the Appeal Panel may affirm, modify, or reverse any order of Disciplinary Proceedings under appeal in whole or in part, including increasing, decreasing, or eliminating any sanction or remedy imposed; imposing any other sanction or remedy authorized by the Rules; or remanding the matter to the same or a different Disciplinary Panel for further Disciplinary Proceedings. The Appeal Panel may order a new hearing for good cause, or if the Appeal Panel deems it appropriate.
- (10) Promptly following the appeal proceeding, the Appeal Panel will issue a written decision and provide a copy to the parties. The written decision issued by the Appeal Panel must adhere to all the requirements of Rule 813(2), to the extent that a different conclusion is reached from that issued by the Disciplinary Panel. A decision by a majority of the Appeal Panel will constitute the decision of the Appeal Panel.
- (11) An Appeal Panel's written decision on appeal (including findings of fact and conclusions and the imposition of sanctions, remedies, and costs, and the effective date of any sanction, remedy, or cost) will be the final action of the SBSEF, and will not be subject to appeal within the SBSEF. Disciplinary sanctions imposed by the SBSEF shall be commensurate with the violations committed, and shall be clearly sufficient to deter recidivism or similar violations by other market participants. In addition, the respondent's disciplinary history will be taken into account in determining the appropriate sanction.

817. Summary Imposition of Fines Relating to Submission of Records

- (1) The SBSEF may fine a Trading Privilege Holder or any other Person subject to the SBSEF's jurisdiction using a summary fine schedule for a violation of Rules regarding timely submission of accurate records.
- (2) A warning letter may be issued for first-time violations, provided that no more than one

warning letter may be issued per any rolling 12-month period for the same violation.

818. Summary Suspensions

- (1) Notwithstanding anything in the Rules to the contrary, the CCO, or his or her designee, may summarily suspend a Participant's right to access the Trading System or the association of an Intermediary or any other Person with a Participant, or take other summary action against any Trading Privilege Holder or any Person subject to the SBSEF's jurisdiction, or suspend access to the Trading System of any other Person subject to the SBSEF's jurisdiction, if the SBSEF reasonably believes such immediate action is necessary to protect the best interest of the marketplace.
- (2) Whenever summary action pursuant to paragraph (1) above is proposed, the SBSEF will, if practicable, serve the party against whom the action is contemplated with written notice. If prior notice is not practicable, the SBSEF will give notice at the earliest possible opportunity to the respondent against whom the action is brought. The notice will be prepared by the Compliance Department, and such notice will state the action, briefly state the reasons for the action, and state the effective time, date, and duration of the action taken. The notice shall be served on the respondent in accordance with Rule 807.
- (3) The respondent shall be advised of its right to a hearing before a Disciplinary Panel pursuant to Rules 809-813, by filing a notice of intent with the Compliance Department within ten Business Days of service of notice. Filing of a notice of intent pursuant to this Rule shall not stay the CCO's decision to deny access. The respondent shall have the right to be represented by legal counsel, or any other representative of its choosing and at its own expense.
- (4) Promptly but no later than 20 Business Days after filing of a notice of intent, a Disciplinary Panel will conduct a hearing concerning the summary suspension. Promptly after such hearing, the Disciplinary Panel will render a written decision based on the weight of the evidence contained in the record of the proceeding. The decision of a majority of the Disciplinary Panel will be the decision of the Disciplinary Panel. The SBSEF will serve copies of the written decision of the Disciplinary Panel on the respondent and the Compliance Department. The written decision will include the following information:
 - (a) A description of, and reasons for, the summary action taken;
 - (b) A summary of the evidence produced at the hearing;
 - (c) A statement of findings of fact and conclusions;
 - (d) A determination that the summary action should be affirmed, modified, or reversed; and
 - (e) A declaration of any action to be taken pursuant to the determination, and the effective date and duration of such action.
- (5) Any decision of a Disciplinary Panel pursuant to this Rule 818 will be the final action of the SBSEF, and not subject to appeal within the SBSEF upon serving the respondent with a copy of the decision.
- (6) At the request of the SBSEF, a respondent who is summarily suspended pursuant to this Rule 818 must provide access to and/or copies of books and records over which the respondent has access or control, and must furnish information to, or appear or testify before, the SBSEF in connection with the enforcement of any Rule of the SBSEF.

819. Rights and Responsibilities After Suspension or Termination

- (1) When the right of a Person to access the SBSEF is suspended for a period of 12 months or less, none of its rights will apply during the period of the suspension, except for (i) any right such Person may have to receive rebates or similar payments that were earned, prior to the suspension period, provided that such rebates or payments are not directly related to conduct giving rise to such suspension; or (ii) the right of the Person to assert claims against others as provided in the Rules. Any such suspension will not relieve such Person of its obligations under the Rules to perform any transactions entered into before the suspension, or for any SBSEF fees, costs, or charges incurred during the suspension. The SBSEF may discipline a suspended Person under this Chapter 8 for any violation of Applicable Law committed by it before, during, or after the suspension.
- (2) When the right of a Person to access the Trading System is terminated, all of its rights will terminate, except for the right of the Person in question to assert claims against others, as provided in the Rules. A terminated Trading Privilege Holder or other Person may only seek to reinstate its right to access the SBSEF by filing an application for participation in the SBSEF. The SBSEF will not consider the application of a terminated Person if such Person has failed to appear at Disciplinary Proceedings without good cause, or has impeded the progress of Disciplinary Proceedings.
- (3) A suspended or terminated Person remains subject to the Rules and the jurisdiction of the SBSEF for acts and omissions prior to the suspension or termination, and must cooperate in any inquiry, investigation, Disciplinary Proceeding, appeal of Disciplinary Proceedings, summary suspension, or other summary action as if the suspended or terminated Person still had the right to access the SBSEF.

820. Notice to the Respondent, the SEC, and the Public; Notice to the Customer

- (1) The SBSEF will provide written notice of Disciplinary Proceedings to the parties and the SEC consistent with SEC Regulations, including those notices required under SEC Rule § 242.819(j) where the SBSEF finds that the Respondent has committed a rule violation that involved a transaction for a customer, whether executed or not, and that resulted in financial harm to the customer. Requests for correspondence related to the aforementioned, such as tapes, transcripts and other related documents will be provided at the expense of the respondent. Any such requests from the SEC will be provided gratis. Whenever the SBSEF suspends, expels, fines, or otherwise disciplines, or denies any Person access to the SBSEF, the SBSEF will make the public disclosures required by SEC Regulations.
- (2) Upon receipt of the written notice of disciplinary action referred to in Rule 820(1), pursuant to SEC Rule § 242.819(j)(1)(ii), the Respondent shall promptly provide written notice of such disciplinary action to its Customer as disclosed on its books and records.

821. Arbitration

- (1) The law of the State of New York governs the Rules regardless of the laws that would otherwise apply under applicable choice-of-law principles.
- (2) Except as otherwise provided in these Rules, disputes between the SBSEF and Trading Privilege Holders and/or Authorized Persons, and disputes among Trading Privilege Holders and/or Authorized Persons arising under the SBSEF rules and/or out of the use of the systems or services of the SBSEF or the services, equipment, or facilities used to support such systems or services, including, without limitation, the SBSEF Trading System and the SBSEF operated by the SBSEF (each, a "Dispute"), shall be submitted for arbitration. This Rule 821 shall in no way be construed to create a cause of action and shall not authorize an action that would otherwise be prohibited by these Rules or Applicable Law.

- (3) Any such Dispute shall be brought within one year from the time that a cause of action has accrued. Commencement by a Trading Privilege Holder or Authorized Person of a suit against the SBSEF in any court instead of arbitrating a Dispute subject to arbitration, violates these Rules and subjects such Trading Privilege Holder or Authorized Person to disciplinary proceedings pursuant to Chapter 8.
- (4) Should this Rule be deemed unenforceable, (i) exclusive jurisdiction for any such dispute will reside in any state or federal court sitting in New York County, New York, (ii) all Trading Privilege Holders and Authorized Persons unconditionally and irrevocably waive any and all right to trial by jury in connection with any such dispute; (iii) the Trading Privilege Holders involved in the dispute will be presumed to have submitted to the personal jurisdiction of any such court, and (iv) an action to enforce any judgment or decision of such court may be brought in the same court or in any other court with jurisdiction or venue.
- (5) Notwithstanding the foregoing, this Rule 821 does not apply to disputes between Trading Privilege Holders or Authorized Persons that: (i) such Persons are required by the Rules of a SRO to submit to the dispute resolution procedures of that SRO; or (ii) such Persons have, by valid and binding agreement, committed to negotiate or litigate in a forum other than the forum set out in Rule 822.

822. Arbitration Forum

Any Dispute arising out of or relating to use of the SBSEF, as described in Rule 821(2), shall be settled by arbitration administered by the American Arbitration Association ("AAA"), in its office located in New York City, NY, under its Commercial Arbitration Rules. The arbitration decision is final and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof.

823. Initiating an Arbitration Claim

A Trading Privilege Holder or Authorized Person may initiate an arbitration claim by (i) submitting the required documents and fees to AAA; and (ii) providing notice of such claim to the SBSEF.

Chapter 9. Recordkeeping and Reporting

901. Recordkeeping Requirements

- (1) The SBSEF will capture and retain all transaction data, so as to be able to reconstruct all Indicative Orders, Requests for Quotes, Orders, and Transactions within a reasonable period of time and to provide evidence of any Rule violations.
- (2) The SBSEF will retain unalterable, sequentially identified records for all Transactions executed on the SBSEF. This includes all Bids/Offers, whether accepted, unaccepted, canceled or modified, and all acceptances of Bids/Offers.
- (3) The SBSEF shall maintain an electronic transaction history database, which includes a history of all Bids/Offers and Transactions, and also includes:
 - (a) All data that are input into the order entry system;
 - (b) The categories of Trading Privilege Holders for which each Transaction is executed, and by which each Transaction is executed, including whether the Trading Privilege Holder executed the Transaction for its own account;
 - (c) Timing and sequencing data adequate to reconstruct trading activity; and
 - (d) Identification of each Trading Privilege Holder to which fills are allocated.
- (4) The SBSEF will use the electronic transaction history database to reconstruct trading and identify possible Rule violations. The SBSEF will conduct annual reviews of all members, authorized/key personnel and firms subject to the SBSEF's jurisdiction to verify their compliance with the SBSEF's audit trail and recordkeeping requirements and will identify Trading Privilege Holders that may have failed to comply with such requirements. Such Persons will be subject to investigation by the Compliance Department for possible disciplinary action. The annual review must include, but is not limited to, reviews of randomly selected samples of front-end audit trail data for order routing systems; a review of the process by which user identifications are assigned and user identification records are maintained; a review of usage patterns associated with user identifications to monitor for violations of user identification requirements; and reviews of account numbers and Customer Type Indicator Codes in transaction records to test for accuracy and improper use.
- (5) The SBSEF will safely store all data retained in the transaction history database in a manner that protects it from unauthorized alteration, as well as from accidental erasure or other loss.

902. Daily Market Data Report

- (1) The SBSEF shall make available a Daily Market Data Report containing for each tenor of each SBS traded on the SBSEF:
 - (a) The trade count (excluding error trades, correcting trades, and offsetting trades);
 - (b) The total notional amount traded (excluding error trades, correcting trades, and offsetting trades);
 - (c) [Reserved]
 - (d) The opening and closing price;

- (e) The price that is used for settlement purposes, if different from the closing price; and
 - (f) The lowest price of a sale or offer, whichever is lower, and the highest price of a sale or bid, whichever is higher, that the security-based swap execution facility reasonably determines accurately reflects market conditions. Bids and offers vacated or withdrawn shall not be used in making this determination. A bid is vacated if followed by a higher bid or price and an offer is vacated if followed by a lower offer or price.
 - (g) The method used by the SBSEF in determining nominal prices and settlement prices; and
 - (h) If discretion is used by the SBSEF in determining the opening and/or closing ranges or the settlement prices, an explanation that certain discretion may be employed by the SBSEF and a description of the manner in which that discretion may be employed.
- (2) The SBSEF shall publish the Daily Market Data Report on its website as soon as reasonably practicable on the next business day after the day to which the information pertains, but in no event later than 7 a.m. on the next business day and shall keep each Daily Market Data Report available on its website in the same location as all other Daily Market Data Reports for no less than one year after the date of first publication.

903. [Reserved] .

Chapter 10. Liability and Disclaimers of Liability

1001. LIMITATION OF LIABILITY

- (3) ANY DISPUTE ARISING OUT OF THE USE OF SYSTEMS OR SERVICES OF THE SBSEF (INCLUDING SUBSIDIARIES AND AFFILIATES) OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS OR SERVICES IN WHICH THE SBSEF (INCLUDING SUBSIDIARIES AND AFFILIATES), OR ANY OF ITS OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, CONSULTANTS OR LICENSORS IS A PARTY MUST BE BROUGHT WITHIN ONE YEAR FROM THE TIME THAT A CAUSE OF ACTION HAS ACCRUED. ANY SUCH DISPUTE MAY ONLY BE LITIGATED IN THE COUNTY OF NEW YORK IN THE STATE OF NEW YORK AND WILL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO ANY PROVISIONS OF NEW YORK LAW THAT WOULD APPLY THE SUBSTANTIVE LAW OF A DIFFERENT JURISDICTION. THIS PARAGRAPH (3) SHALL IN NO WAY BE CONSTRUED TO CREATE A CAUSE OF ACTION AND SHALL NOT AUTHORIZE AN ACTION THAT WOULD OTHERWISE BE PROHIBITED BY THE RULES.
- (4) EXCEPT IN THE CASE OF GROSS NEGLIGENCE, WILLFUL MISCONDUCT, FRAUD, OBLIGATIONS TO MAINTAIN CONFIDENTIALITY, OR INDEMNIFICATIONS IN RESPECT OF INTELLECTUAL PROPERTY MATTERS, IN NO EVENT SHALL THE SBSEF'S (INCLUDING SUBSIDIARIES AND AFFILIATES) TOTAL COMBINED AGGREGATE LIABILITY FOR ALL CLAIMS ARISING OUT OF ANY NEGLIGENCE, FAILURES, MALFUNCTIONS, FAULTS IN DELIVERY, DELAYS, OMISSIONS, SUSPENSIONS, INACCURACIES, INTERRUPTIONS, TERMINATIONS, ORDER STATUS ERRORS OR ANY OTHER CAUSES, IN CONNECTION WITH THE FURNISHING, PERFORMANCE, OPERATION, MAINTENANCE, USE OF OR INABILITY TO USE ALL OR ANY PART OF ANY OF THE SBSEF'S (INCLUDING SUBSIDIARIES AND AFFILIATES) SYSTEMS OR SERVICES, OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS AND SERVICES, OR THE NEGLIGENCE OF SBSEF (INCLUDING SUBSIDIARIES AND AFFILIATES) STAFF, EXCEED \$25,000 FOR ALL LOSSES FROM ALL CAUSES SUFFERED BY ALL PERSONS ON A SINGLE DAY; \$100,000 FOR ALL LOSSES SUFFERED BY ALL PERSONS FROM ALL CAUSES IN A SINGLE CALENDAR MONTH; AND \$250,000 FOR ALL LOSSES FROM ALL CAUSES SUFFERED BY ALL PERSONS IN A SINGLE CALENDAR YEAR.
- (5) A CLAIM AGAINST THE SBSEF (INCLUDING EACH OF THEIR RESPECTIVE SUBSIDIARIES AND AFFILIATES), ARISING OUT OF ANY FAILURE OR MALFUNCTION SHALL ONLY BE ALLOWED IF SUCH CLAIM IS BROUGHT IN ACCORDANCE WITH THIS RULE.
- (6) NOTWITHSTANDING THE FOREGOING, THE LIMITATION OF LIABILITY PURSUANT TO THIS RULE 1001 IS LIMITED TO CLAIMS ARISING OUT OF THE SBSEF'S (INCLUDING SUBSIDIARIES AND AFFILIATES) OPERATION OF THE SBSEF AND/OR PROVISION OF SERVICES TO THE SBSEF AND, FOR THE AVOIDANCE OF DOUBT, SHALL NOT LIMIT ANY PARTY'S LIABILITY AS PRINCIPAL TO TRADES EXECUTED ON THE SBSEF.
- (7) THE FOREGOING LIMITATION OF LIABILITY OF THIS RULE DOES NOT APPLY TO THE SBSEF'S OBLIGATIONS ARISING FROM CEA, PART 37 AND THE REGULATIONS PROMULGATED THEREUNDER.

1002. Force Majeure

The SBSEF shall not be liable for any failure, hindrance or delay in performance in whole or in part of its obligations under the Rules or (subject to the terms of the relevant SBS) of any SBS if such failure, hindrance or delay arises out of events or circumstances beyond its control. Such events or circumstances may include, but are not limited to, a change of law or regulation which in the SBSEF's opinion would render a Trading Privilege Holder's or Customer's participation in the SBSEF or service rendered by the SBSEF, illegal or impractical or adversely affect the ability of such Trading Privilege Holder or Customer to perform its obligations under the Rules or a SBS,

acts of God or a public enemy, acts of a civil or military authority, embargoes, fire, flood, labor dispute, unavailability or restriction of computer or data processing facilities, energy supplies, settlement systems or of bank transfer systems or wires, and any other causes beyond the parties' reasonable control.

1003. Anti-Money Laundering

It is Wematch.live LLC policy:

- (5) The SBSEF will not be the Reporting Side and will not report Trades to a Security Based Swap Data Repository.
